

The GAR Scholarship Program

The Georgia Association of REALTORS® Scholarship Foundation, Inc. was established in 1985 primarily due to the efforts of the late Ed Isakson, a Past President of the Georgia Association of REALTORS®. The goal was to accumulate a total of \$1,500,000.00 for the scholarship program to benefit real estate licensees in the State of Georgia. The funds include a 1987 and a 1995 grant from the Georgia Real Estate Commission.

The scholarship program was developed to assist persons in the real estate field who are seeking to obtain a related designation such as the GRI (Graduate, REALTOR® Institute), CCIM, (Certified Commercial Investment Manager), CPM (Certified Property Manager), CAE (Certified Association Executive), CRS (Certified Residential Specialist), CRB (Certified Real Estate Brokerage Manager) and the many other designations in real estate related fields.

The Scholarship Foundation is a tax-exempt foundation; therefore, applicants are encouraged regardless of any affiliation. Recipients are chosen on a non-discriminatory basis without preference for employment or affiliation with any real estate firm, broker, or membership in a professional organization. In fact, the Trustees are unaware of the applicant's name, firm, or affiliation. Awards are made each quarter.
